SUBJECT: Attempts to Interview Complainant Paul FEDRICK, [REDACTED]
Police Department

ALLEGATION: The complainant, Police Officer Paul FEDRICK, Star #76, Burnham Police Department, alleges that on 19 April 2014, at 1020 hours, the accused, a male white with the name [REDACTED] who also identified himself as a "Dick" from Chicago, participated in an unlawful eviction at [REDACTED]

The Reporting Agent attempted to obtain the Sworn Affidavit for Complaint Log Investigation without success. On 20 May 2014, the Reporting Agent sent a Certified Letter to the complainant Police Officer Paul FEDRICK, Burnham Police Department, requesting contact regarding his complaint. The complainant did not contact the Reporting Agent so on 24 June 2014, the Reporting Agent contacted the complainant who explained that the reason he did not contact the Reporting Agent was because he was out of the office on vacation. The Reporting Agent explained that in order for her to conduct the investigation it was required that the complainant sign a Sworn Affidavit for Complaint Log Investigation. The complainant agreed to sign the affidavit which was mailed to the complainant on 24 June 2014. The complainant ensured the Reporting Agent that he would sign the affidavit and return it to the Reporting Agent along with the reports for a Criminal Trespass Investigation pertaining to this incident. According to Officer FEDRICK, on the date in question, the landlord, a retired sheriff, and the accused stated that they were at the above location to serve an order to vacate to a resident at that location. However, based on their actions, it became apparent to the complainant that they were attempting to evict the individual which should only be done by a Cook County Sheriff. Officer FEDRICK stated that a criminal investigation was initiated and the landlord and retired sheriff were later charged with Criminal Trespass.

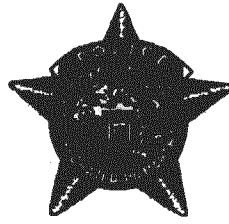

On 9 July 2014 the Reporting Agent contacted Officer FEDRICK because as of that date she had not received the signed affidavit and reports from the criminal trespass investigation that Officer FEDRICK said he would send to the Reporting Agent. Upon contact, Officer FEDRICK stated that he received the affidavit but he needed to check with his supervisor about signing the affidavit and sending the reports. The complainant explained this was an ongoing investigation and he needed permission to release the reports. The complainant stated that he would check with his supervisor and re-contact

the Reporting Agent with a response. However, as of 29 July 2014, Officer FEDRICK has not contacted the Reporting Agent and the affidavit for Complainant Log Investigation has not been received. Based on the failure of the complainant to cooperate, this investigation will be terminated.

In summary, the Reporting Agent sent a Certified Letter requesting contact regarding the allegation to the complainant, Paul FEDRICK, who is a police officer at the Burnham Police Department. The complainant did not contact the Reporting Agent and on 24 June 2014, the Reporting Agent contacted the complainant who agreed to sign the Sworn Affidavit for Complaint Log Investigation and return it along with reports for a Criminal Trespass Investigation pertaining to this incident which involved an unlawful eviction. A copy of the affidavit was mailed to the complainant and on 9 July 2014, the Reporting Agent contacted the complainant because as of that date, she had not received the signed affidavit from the complainant. The complainant stated that he did receive the affidavit but he needed to check with his supervisor about signing the affidavit and to get permission to send the reports. The complainant stated that he would re-contact the Reporting Agent with a response later that day. However, as of 29 July 2014, the complainant has not contacted the Reporting Agent and the Sworn Affidavit for Complaint Log Investigation was not received.

Based on the absent cooperation and no further objective evidence, the investigation cannot proceed and this case is to be closed NO CONVERSION.
